Dear Exhibitor:

You are cordially invited to enter an exhibit in our 2021 Greater Detroit Gem, Mineral & Fossil Show. Showing other serious collectors and the public what our hobby is all about is a very important feature in every Show. We hope you will consider displaying your best gems, minerals or fossils this year!

A **Trophy Award Ceremony** will be held on Sunday afternoon at 4 pm to acknowledge excellence and to present the following trophies:

Big Wheel Trophy: This is a competition for Show Dealers only. The winning dealer receives \$300.00 off their booth fee for 2023.

MMS Trophy: This is awarded to the best display entered by an MMS member that is judged to be the "best." The name of the winner will be engraved on a perpetual MMS Trophy on display at the Show.

Detroit Challenge Cup: This Cup is awarded to the very best display of the finest minerals when multiple entries would like to "challenge" each other. Please contact the Display Chair for more details.

To the NON-COMPETITIVE EXHIBITORS: "Our undying gratitude. We love you!" We sure would like to see you in October as your display will help make this a great show.
